8.40	1 3/4	24.00	5
9.60	2	25.20	5 1/4
10.20	2 1/8	30.00	6 1/4
12.00	2 1/2	38.40	8
12.30	2 9/16	43.20	9
12.90	2 11/16	48.00	10
13.20	2 3/4	49.20	10 1/4
14.40	3	57.60	12

Thermal Resistance per 1-1/16 inch thickness at 75° F is 5.1

Provides continuous insulation above and below grade for commercial and residential projects.

Perfect for Exterior Finish Systems, sidewall sheathing, foundation walls, roofing and under slab applications.

Available in many densities.

Complies with ASTM 578 and ASTM 2430

Approved for use in certain NFPA 285 wall assemblies.
