ARCHITECTURAL DETAIL CATALOG

Details can make the difference in any project- commercial or residential. The right details can make your building a success. For the leader in EIFS and Stucco moldings, arches, and shapes, look to TRIMRIGHT.

By combining the highest quality raw materials with the latest in foam cutting technology, TRIMRIGHT is the most reliable source for architectural details. You can rest assured that TRIMRIGHT moldings will be accurate and perfect foot after foot, piece after piece, and project after project.

TRIMRIGHT makes over 100 stock shapes ready for same-or next-day delivery, but doesn't stop there! The TRIMRIGHT Custom Design Team can help you to design and manufacture virtually any shape you can imagine.

When working on your next EIFS or Stucco project, be sure to specify TRIMRIGHT for your architectural details.

Finish every job right with TRIMRIGHT.

Moldes pueden hacer la diferencia en cualquier proyecto comercial o residencial. Los moldes correctos pueden hacer de su obra todo un exito. Asi que, como lider de moldes, arcos y figuras decorativas para estuco pida TRIMRIGHT.

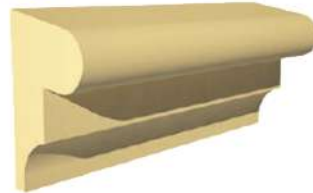

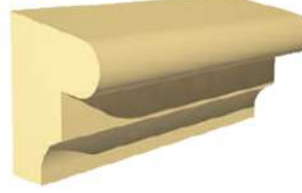

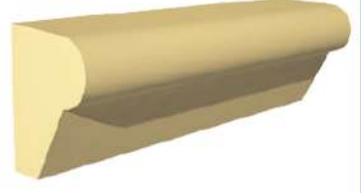

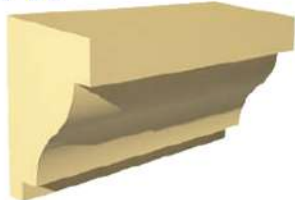

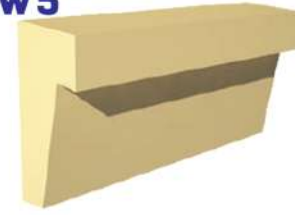

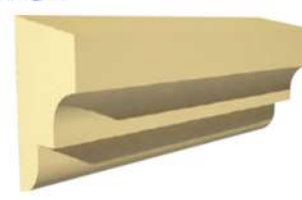

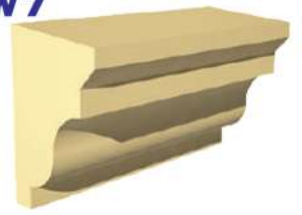

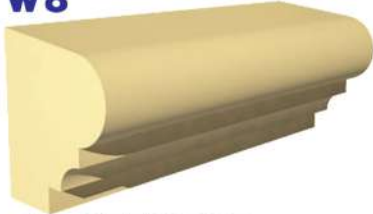

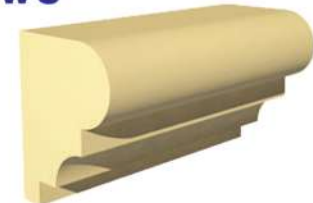

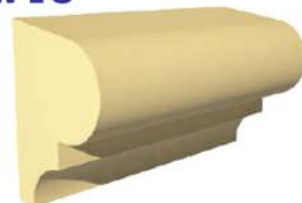

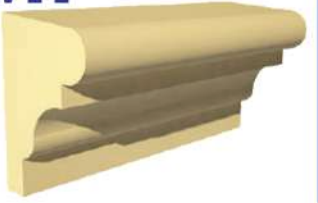

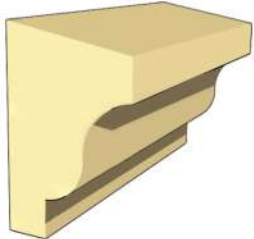

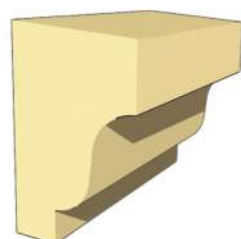

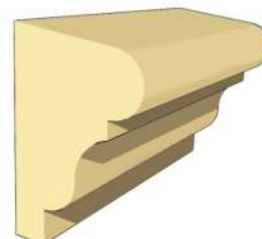

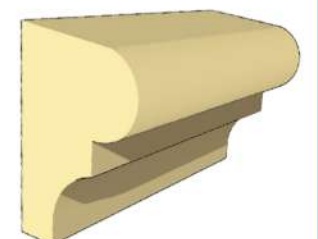

Combinando materia prima de las mas alta calidad con la tecnologia mas avanzada en corte de poliestireno, TRIMRIGHT es su fuente mas confiable de moldes arquitectonicos. Con TRIMRIGHT puede tener la seguridad de que sus moldes seran perfectos pulgada tras pulgada, pieza tras pieza y proyecto tras proyecto.

TRIMRIGHT produce mas de 100 moldes estandar listos para la entrega al momento o al siguiente dia, pero eso no para ahi! El equipo de diseno de TRIMRIGHT puede ayudarle a disenar y producir virtualmente cualquier molde o figura que usted pueda imaginar.

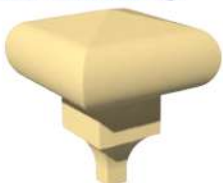

Para su proximo proyecto de EIFS o estuco asegurese de especificar TRIMRIGHT para sus moldes arquitectonicos.

Termina cada trabajo "RIGHT".
